State Energy Leadership Institute

NASEO
National Association of State Energy Officials

Resources and hands-on opportunities for new State Energy Office Directors.

Core Concepts

Short online interviews, briefs, questions, and grab-and-go resources.

Coming soon!

>

Washington Week

An in-person cohort week in Washington, D.C. Meet with federal leaders, industry experts, and State Energy Office Director peers.

Summer/Fall 2027

>

Peer Partners

A peer matching program to connect new and seasoned State Energy Office Directors.

Launching February 2027

Connect with NASEO Senior Advisor Michelle Gransee this week over breakfast to learn more about how to get involved in Peer Partners, and with questions about the SELI .
